-

Education

MASTERS OF COMPUTTER APPLICATION • Kanpur Institute of Technology

Jul 2020 - Sep 2022

COMPUTER APPLICATION • Grade: 86.9

I have a strong educational background in Computer Science and have made meaningful contributions to the advancement of the field. My Minor Projects include a Student Management System and a Crime Record System, both of which I successfully created. My Major Project, 'Jarvis', was a multifaceted Student Attendance System that I developed to great success. Through these projects, I have proven my technical and problem-solving skills as an able computer scientist.
