SKILLS

Excellent knowledge of a variety of programming languages including C++,python Javascript and java.

HTML

CSS

REACT.JS

Mysql

LANGUAGES

ENGLISH

Professional Working Proficiency

HINDI

Full Professional Proficiency

EDUCATION

Master of Computer Application Lovely Professinal University

11/2021 - Present

8.0 Till second semester

Bachelor of Computer application Integral university lucknow

06/2017 - 08/2020

7.03 CGPA

PROJECTS

Smart Irrigation System (01/2023 - Present)

- Tools used- Rasberry Pico,Soil moisture sensor,Humidity sensor
- Programming language used-Python (Thonny IDE)
- Developed a smart irrigation system using Rasperry Pi Pico, allowing for more efficient water usage and reduced water waste. Utilized sensors to monitor soil moisture levels and weather conditions, allowing the system to adjust watering schedules and durations accordingly.

Portfolio (02/02/2023 --05/02/2023)

- Tools used-- HTML,CSS,JAVASCRIPT,REACT.JS
- Learning Outcome-- In this Project i had developed my own portfolio where any one can be able to see my resume,educaton and my all projects.

Data visualization and dataset analysis on classic cars (09/2022 - 12/2022)

- Tools used- Python (Library used-Pandas,Matplotlib,seaborn)
- Learning outcome -- Visualizing data: By creating charts, graphs, and other visualizations, learners can communicate data insights more effectively. They can learn how to choose the right visualization type for different types of data and how to customize them to make them more visually appealing and informative.

TRAINING

Front end developer (HTML,CSS,JAVASCRIPT,REACT.JS) Learn code online

05/2022 - 07/2022

Learning Outcome

- Developed and implemented responsive designs for websites and applications, ensuring optimal user experience across different devices.

CERTIFICATES

Front end developer (Learn code online)

The complete Front end developer

NodeJS backend (Learn code online)

Complete backend development with nodeJS

DATA STRUCTURE AND ALGORITHM IN C++ (Coding Ninjas)

ACHIEVEMENTS

Participated in Smart india hackathon 2022

4 star in Geeks for Geeks

50+ question solved in Leetcode
