

Shadab Raja

Objective

To thrive in a learning and challenging environment by utilizing my skill sets/knowledge and capabilities achieved as a person growth.

Education

Degree/Grade	Institution	Score
B.tech(cse)/A	SBSSTC	8.3 cpga
Senior secondary	Kendhya vidyalaya	75%
High school	Kendhya vidyalaya	9.2 cpga

Experience

- **Teaching** : I have taught class 6 to 10 teaching for 1 year.
- **Training** : I have done 6 months training with APNIGN in Delhi.

Projects

- **Web Portal For Real Estate** – real estate web portal is a digital platform that facilitates the buying, selling, leasing, or locating of properties. It serves as a central hub where real estate agents, property owners, and potential buyers or tenants can connect, access information, and conduct transactions. The use of a real estate web portal offers several advantages and benefits for all parties involved.
