

## EDUCATION

### Bachelor of Computer Applications (BCA)

Maharaja Surajmal Institute

2022 - 2025

### Senior Secondary (XII), Commerce

CBSE board

Year of completion: 2022

## INTERNSHIPS

### Django Backend Developer

Simmi Foundation (NGO), Virtual

Apr 2023 - Present

Worked on the backend and frontend side of Simmi foundation's new unreleased website.

Fixed issue's and bugs with the team and implemented new features.

Used Django rest framework on the backend with react on the frontend side.

## PROJECTS

### E-Commerce App

Mar 2023 - Mar 2023

<https://cosmic-arithmetic-677e08.netlify.app/>

Github <https://github.com/kaushikaryan04/Ecom-react>

This project is a ecommerce app in which you can add new products and image will be assigned to the product as per the name provided It is using Unsplash image API to fetch the images.

### Django Authentication App

Mar 2023 - Mar 2023

<https://github.com/kaushikaryan04/to-do-django>

This is a JWT Authentication app with a react frontend

(<https://github.com/kaushikaryan04/to-do-react>)

have used a custom user model in which email is used for authentication instead of username as it is better practice.
