### SKILLS

- HTML
- CSS
- Bootstrap
- JavaScript
- React JS
- Node JS
- Express JS
- Mongo Db
- SQL.

### EDUCATION

#### B.Tech

Jamia Hamdard University  
Delhi 2012-2016

**12th**|B.I.E.C 2004 from BPS college  
Vaishali Bihar India.

**10th**|B.S.E. B Zakir Hussain High  
School Patna Bihar India.

### SOFT SKILLS

- Strong communication skills
- Team player with experience collaborating with cross-functional teams
- Problem-solver with a strong attention to detail.

### OBJECTIVE

To obtain a challenging role as a Full Stack MERN Developer in a dynamic organization where I can utilize my technical skills, creativity, and passion for programming to build innovative and scalable web applications.

### EXPERIENCE

- I have completed 6 months training for Full stack Mern development from Ducat India South Extn New Delhi.

### PROJECTS

- **1.CRUD Application:** Built a full-stack CRUD (Create, Read, Update, Delete) application using MERN stack. The application allows users to create, read, update and delete data from a database, and includes features such as authentication, authorization, and pagination.
- **2.E-commerce Website:** Built an eCommerce website using MERN stack. The website includes features such as product search, product filtering, add-to-cart, checkout, payment integration, and order tracking.

### ACHIEVEMENTS

- Attended for workshop Ethical Hacking & cyber-Forensic course IEEE of 2 days (Bytecode Certified Security Expert) Jamia Hamdard Student Branch in 31 Jan to 1st Feb 2015.
- Certificate of attending workshop on android by Aedifico Tech Pvt. Ltd. From Jamia Hamdard in April 2015.
- Participated as Volunteer in fest event in Nerdz 2013, at Jamia Hamdard University.
