- High School  
Meerut Public School for Girls  
(04/2016 – 03/2017) 95%

## About Me

Seeking an entry-level software engineering position where I can apply my strong problem-solving and critical thinking skills to develop innovative software solutions.

## Projects

### Student Result Management-System

(04/2021 - 05/2021)

**Tools used** – Html, CSS, JavaScript, MySQL

**My Role** – Created an executable program for teachers to maintain students records with a grading system having a simple UI. I have made an interface as well as maintained the backend data.

### Live Code Editor

(07/2022 - 08/2022)

**Tools used** – Html, CSS, JavaScript.

**My Role** – Create an editor in which the user can type any code on the left side of the editor page and he can automatically see the changes on the right side of the editor page.

## Internship

### Cyber security virtual internship program

Cisco Networking Academy

(04/2021 – 07/2021)

### Achievements/Tasks

Created MIET Networking Model online through Packet Tracer

## Certificates

Digital Skills Readiness Program (Java Full Stack) (05/2022–10/2022)

Cloud Computing Foundation  
(10/2021 – 03/2022)

Artificial Intelligence Foundation  
(09/2021 – 01/2022)
