SKILLS

- Knowledge of C
- Core Java, OOPs
- DBMS, SQL
- HTML5, CSS3

PROJECT

- **Blood Bank Management System:** I have worked on this project. The Blood Bank Management System, which is a web-based application. This application allows the administrator to easily manage the blood stock, donor details, seeker details, and overall blood bank management.
- **Billing and Inventory Management System:** I have worked on this project. The Billing and Inventory Management System, which is an Android-based application. This application allows small shopkeepers to easily manage their billing and inventory systems by scanning the product's barcode.

SOFT SKILLS

- Adaptability
- Good time management
- Strong work ethic
- Teamwork
- Ability to learn new things
