WORK EXPERIENCE

FRONT END DEVELOPER, Aqusag Technologies | Noida

2021 - 2023

- Developed and maintained responsive and user-friendly web applications using React.js, HTML5, CSS3, and JavaScript.
- Collaborated closely with the design team to translate wireframes and mockups into pixel-perfect and visually appealing user interfaces. Integrated RESTful APIs and third-party services to fetch and display data in real-time.
- Developed reusable components and libraries to streamline development processes and promote code reusability.
- Implemented responsive design principles and ensured cross-browser compatibility to deliver consistent user experiences across devices. Demonstrated effective communication skills in both technical and non-technical discussions.
