Experience

Front End Developer Intern

ASC360 · Delhi

04/2023 - 05/2023

Contributed to the development of a new insurance booking system by assisting in front-end development using HTML, CSS, JavaScript, SASS, Bootstrap, and Python

I utilized JIRA for task assignment and Git/GitHub for seamless collaboration with other developers.

Participated in code reviews and contributed to the company's codebase on GitHub, gaining exposure to version control and software collaboration

Web Developer Intern

EcoFreaky · Delhi

10/2022 - 03/2023

Developed and contributed to the launch of the company's first B2C ecommerce website, resulting in a 30% increase in online sales within 3 months.

I collaborated with the backend team to seamlessly integrate the frontend and backend functionalities using RESTful APIs. Utilized ReactJS, TypeScript, JavaScript, Redux, Tailwind CSS, and Postman for testing and debugging APIs to ensure a smooth integration process.

Optimized website performance by reducing TBT to less than 200ms through code splitting and lazy loading. Resulted in a 20% decrease in website load times and a 15% increase in website engagement.
