EDUCATION

B.Tech (Computer Science and Engineering) KIPM College of Engineering and Technology Gida, Gorakhpur

06/2018 - 07/2022

Gorakhpur, UP

Senior Secondary (UP board)

J. Singh I. C. Pandeypar

03/2015 - 06/2017

Gorakhpur, UP

PERSONAL PROJECTS

Filmyverse Movie Website (03/2023 - 04/2023)

- Developed a movie website called Filmyverse using React js, Tailwind CSS, Firebase, and Firestore DB.
- Implemented OTP authentication for secure user login and registration.
- Utilized Tailwind CSS framework to create a responsive and visually appealing design for the website.
- Integrated Firebase as the backend, leveraging Firestore DB for storing and managing movie data.
- Implemented OTP authentication to ensure secure access to user accounts.

Project Name

Weather App (02/2023 - 02/2023)

- Designed and developed a weather app using HTML, CSS, and JavaScript that provides real-time weather updates for the user's current location
- Integrated the OpenWeatherMap API to retrieve weather data such as temperature, humidity, and wind speed for the user's location
- Implemented a responsive user interface with background images that change based on the current weather conditions
