

Bharat Arora

Full Stack Developer

I have more than 4 years of experience in Web Development. I have successfully delivered various php web-based websites and web-products like ERP, E-learning, DLP and many more also worked with various Govt. websites like **CBDT, Bharatkosh, IFHRMS, Rajasthan Egras** in collaboration with Banks and Payment Gateways like **Razor Pay, Global Payments**. I am excited at the prospect of taking on challenging assignments and allow me to learn and grow through experience.
