Vinay Nayak

Frontend Web Developer

As a recent graduate with a Bachelor's degree in Computer Science and a passion for web development, I am eager to apply my skills and knowledge to a Frontend Developer role. I have experience with HTML, CSS, JavaScript, and various web development frameworks like Reactjs, and have completed several projects that demonstrate my ability to create responsive and visually appealing web applications. With a strong attention to detail and a commitment to continuous learning, I am excited to join a dynamic team where I can contribute to the development of innovative and user-friendly websites and applications.

Technology- HTML,CSS ,BOOTSTRAP,JAVASCRIPT

CERTIFICATES

MERN STACK (07/2022 - 01/2023)
MERN STACK (MongoDB, Express.js, React.js, Node.js) is a popular and powerful combination of technologies used in web development. As a developer proficient in the MERN stack, I possess a strong foundation in each of its components and can leverage this expertise to build robust and dynamic web applications.
