Summary

I am a highly motivated and skilled Front End Developer with a strong passion for creating exceptional user experiences. Proficient in JavaScript, React, HTML, CSS, and TypeScript, I have a proven track record of developing visually appealing and user-friendly web applications. With expertise in product design, development, and marketing, I leverage research and data analysis to drive growth and optimize product performance. Committed to delivering excellence, I am eager to contribute my skills to create innovative and impactful digital solutions.
