Projects

Responsive cv | My_Self (link)   March 2022 - March 2022

- It is a responsive cv that includes all the details regarding career, job, education, hobbies, etc.
- All the details will be aligned properly depending on the screen resolution.
- In responsive cv just by clicking on the email address it opens a default mail program, creating a new message with the 'TO:' field already filled out, there is also a clickable phone number that directs the user to phone .
- There are also few certificates and profile links mentioned in the resume.
- Projects mentioned in the resume include links to the project's code.

indiavsdisinformation | Press Monitor (link)   November 2021 - March 2022

IndiaVsDisinformation.com is an online news portal which brings to you authentic information about the world's largest democracy.

- India has become a target of information wars sponsored by Pakistan and China. So many negative stories are published in the Western media about India that have no basis in reality.
- Accepted that India has a lot of problems. But it is nowhere as bad as is made out to be by media reports. Indiavsdisinformation.com is an attempt to serve as a repository of authentic information about India.

indianewsnetwork.com | Press Monitor (link)   November 2021 - April 2022
