Participated in sports Event organised by AKTU from my District
Participated and Secured 1st Rank in Debate Competition

EDUCATION

Greater Noida Institute of Technology

BTech

Passing Year - **2024**

Grades : **7.1**

PROJECTS

MOVIECLUB

MovieClub is a ReactJS-based movie app that integrates Material-UI and Redux. It offers an extensive movie collection, personalized recommendations, dynamic search, user ratings, and watchlist functionality. The project demonstrates my frontend development skills and passion for coding.

Restuarant Website

Developed a restaurant website app using HTML, CSS, and JavaScript, delivering an immersive and user-friendly digital experience for restaurant visitors. The app features a visually appealing interface, intuitive navigation, and responsive design, ensuring seamless access to menus, reservation booking, and other services. It showcases my expertise in frontend development and highlights my ability to create engaging web applications for the food service industry.

Crypto Tracker

Building a Crypto Tracker Web App using React JS , MaterialUI and API of COINGECKO to track the Coins Value

ACHIEVEMENTS & AWARDS

Secured 1st Place in College Hackathon

Java Training Certificate From IIT Bombay for passing the Conducted Exam
