## Education

| Degree / Class | Institute / Board | Batch (Year of Passing) | CGPA / Percentage |
|---|---|---|---|
| Bachelor of Technology (IT) | Engineering College Bikaner | 2019 – 2023 | **8.70** (Current) |
| Class – 12th | UP Board | 2018 | 80.40 % |
| Class – 10th | UP Board | 2016 | 81.17 % |

## Achievements

- **TechGig Code Gladiators 2021 Semi-Finalist**
- IICC Coding Competition by **AICTE India** – **963** Rank **out of 10,000** Participants
- Codechef July LongOne (Div4) 2022 – **Global Rank = 278** out of 4,900+ Participants **[Link]**
- Codechef September Cook-off (Div3) 2021 – **Global Rank = 408** out of 4,000+ Participants **[Link]**
- **Google CodeJam** 2021 Round 1 – Global Rank = **5163 out of 20000+** Participants **[Link]**
- **Google Kickstart** 2021 Round E – **Global Rank = 3530 out of 10,000+** Participants **[Link]**
- **CodeChef – 3 Star** (Div-3) Programmer (**Highest Rating** - 1687) **[Link]**
- **Codeforces –** (**Highest Rating** - 1133) **[Link]**

## Experience / Projects

**Stock Exchange Website**                                                      Jul 2022 – Aug 2022

- **Technologies** used – Java, Spring-Boot for backend, MySQL database, HTML, CSS for frontend
- Use of API calling for dynamic behavior of stock data & use of **encryption algorithms** for security of data.

**MP3 MUSIC WEB-APP**                                                      May 2021 – Jun 2021

- **Technologies** used – **PHP** for **backend**, **MySQL database**, **HTML5**, **CSS3, JavaScript** for **frontend.**
- It is a Web App where user can enjoy various type of music, album and add them in your **favorite list**.
- In Admin panel user can **upload song**, **album** and **make category** or **upload image** also. User can **Edit**, **delete**, **update** and **change** song or image also.

**Google Chrome Extension**                                                      Jan 2022 – Feb 2022

- **Technologies** used – JSON, XML
- It is provide a joke in every interval (Which is selected by user).

## Technical Skills

- **Programming Languages – C** , **C++, Java**
- **DBMS ,** Operating System **(OS)** , **OOPs**
- Data Structures and Algorithms **(DSA)**
- **Technologies : HTML5**, **CSS3**, **JavaScript**, **PHP**, **NodeJS**, **ReactJs**, **GitHub**
- Software Engineering

## Extracurriculars / Position of Responsibility

- ★ Inter-college Coding Competition – 1st
- ★ 3rd Rank on GeeksforGeeks platform in College.
- ★ 2nd Rank in school 12th Board Result.
- ★ Hobbies & Interest : Singing, Playing Cricket.
