WORK EXPERIENCE

Jun 2022 to Nov 2022

Java Developer at SSDN Technologies

In this company, I am work as an intern at Java Developer post. I am work on many project in this company like as QuizEngine and Multiclient Chat Server which is based on the Java technology.

INTERNSHIPS

SSDN Technologies, 5 Months

In this internship, I am making two major projects that one is Quiz Engine based on Java and second is Chat Server is also based on java.

PROJECTS

Quiz Engine , 61 Days

In the project there are two major things that's one teacher and another is student phase. The student login and take the quiz and the teacher is login and see the results of student and select the question according to their respective subject.
