INTERESTS AND HOBBIES

My hobby is travelling because I love discovering new cities and places around the world. I often save up for months to plan a trip every year. I love friends' trips and family outings but solo travelling brings me the real adventure and thrill to venture into new places all by myself

PROFESSONAL PROJECT

Project Name: Hospital Management

- **Team Size: 4**

- **Technologies: :** Laravel, JQuery, Bootstrap , MySQL ,Java Script

   Project Description:

- The project Hospital Management system includes registration of patients, storing their details into the system, and also computerized billing in the pharmacy, and labs.
